DEDICATION

The 1982-83 Legend Staff would like to dedicate this Tenth Anniversary Edition of the LCJVS Yearbook to the "10-Year JVS Veterans." These are the teachers, administrators, and staff members who have been with the LCJVS since its opening in 1973 and have helped to make the Licking County Joint Vocational School into the fine educational institution that it is today.

The "10-Year JVS Veterans" include the following teachers and administrators (shown above): Mr. Carl Smith (Auto Mechanics), Mr. Robert Beckett (Auto Mechanics), Mrs. Virginia Beckett (English), Mr. David Cisler (Academic Supervisor), Mr. William Mann (Director of Pupil Personnel), Mrs. Connie Price (Intensive Office Education), Mr. Herbert Hull (Welding), Mr. Richard Price (T & I Supervisor), Miss Joyce Drake (Graphic Communications), Mr. James Adams (Data Processing), Mrs. Betty Eifinger (Cosmetology), and Mrs. Alice Hite (Home Economics Supervisor).

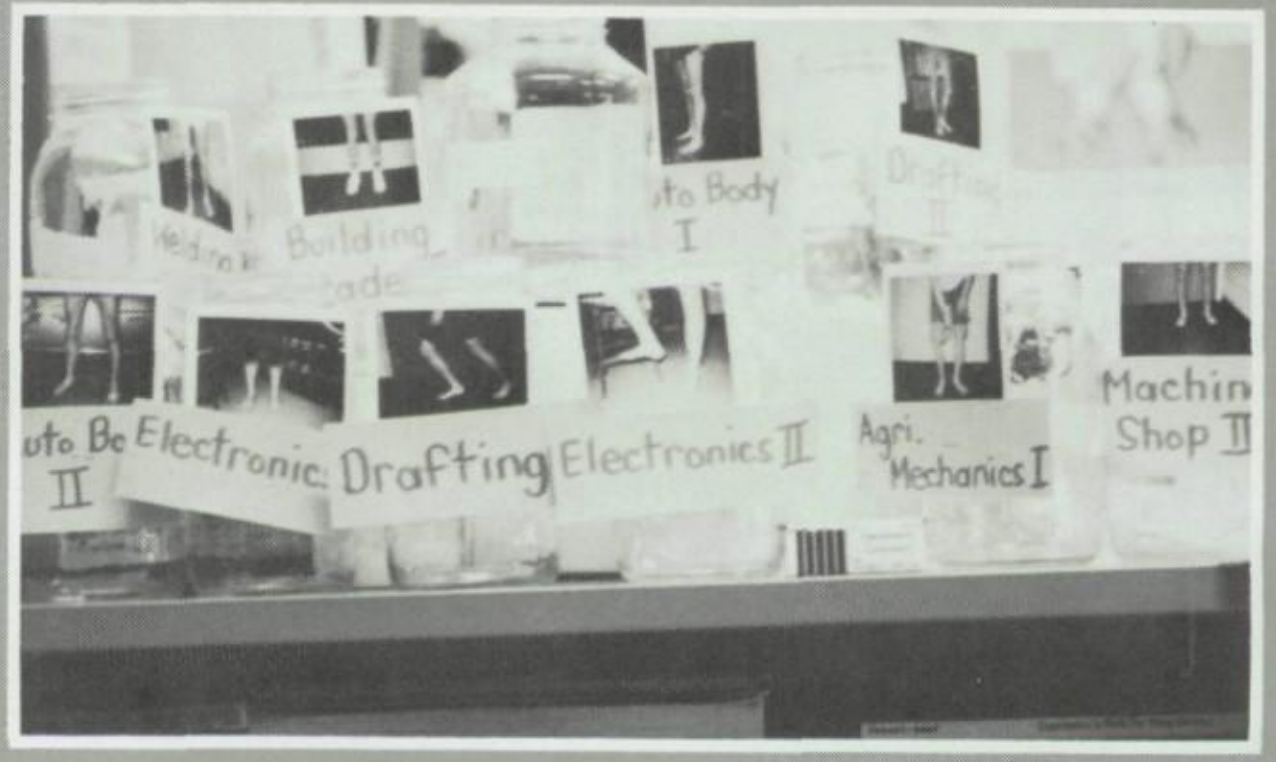
The following staff members are also part of the "10-Year JVS Veterans" group (shown below): Mrs. Joanne Teuscher (Head Cook), Mrs. Selma Friesel (Director's Secretary), Mr. Robert Vermillion (Maintenance Supervisor), Mr. Bernard Shirley (Custodian), Mr. Ralph Martin (Custodian), and Mr. Clair Ritchey (Custodian).

When asked what they liked the best about working at the JVS, the replies ranged from "the nice faculty and students," "the pleasant atmosphere of people working towards a common goal," "the way the students know where they're headed with their career choice," and "the pride the people associated with the JVS feel towards the school." The Legend Staff would, therefore, like to extend to these "Veterans" and all those who have been employed at the JVS a big **THANK YOU** for giving of their time and skills to the development and growth of the Licking County Joint Vocational School.

The Legend Editor and Staff

Mr. Correia giving directions.

Here I am!!



Sexy legs!

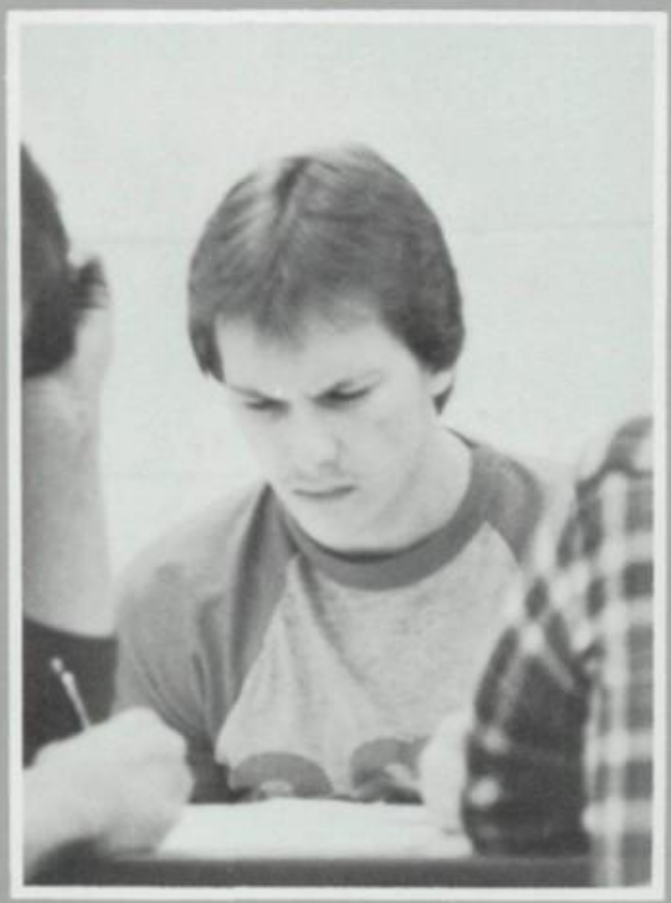
Senior citizens enjoying lunch at JVS.

Yes, Angie! That is the correct book to use.

Well, now that we're here, what do we do!

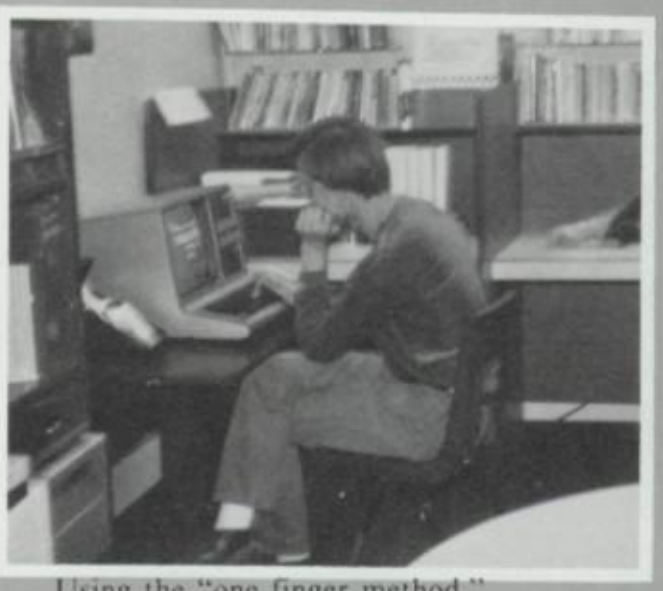
Are you SURE this is what we're supposed to do?!

And I have three grandchildren who are ...



This is going to be a tough one!

This turns me on.



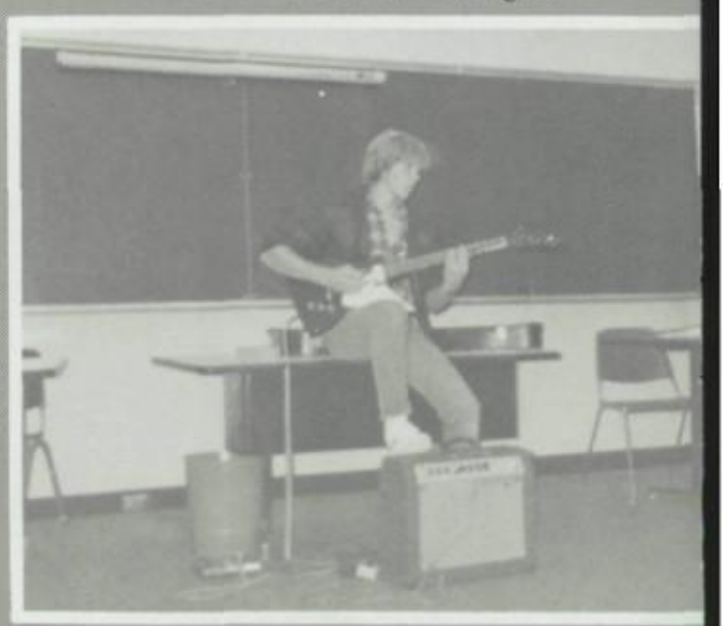
Using the "one finger method."

The COE class of '83.

There's more in here than I thought!

Social Studies classes try to be as realistic as possible.

Of course I know what I'm doing!



Music Appreciation class??

I gotta go on a diet!

I think I need a magnifying glass!

Debbie got caught again!

It's a bird, it's a plane, it's . . .

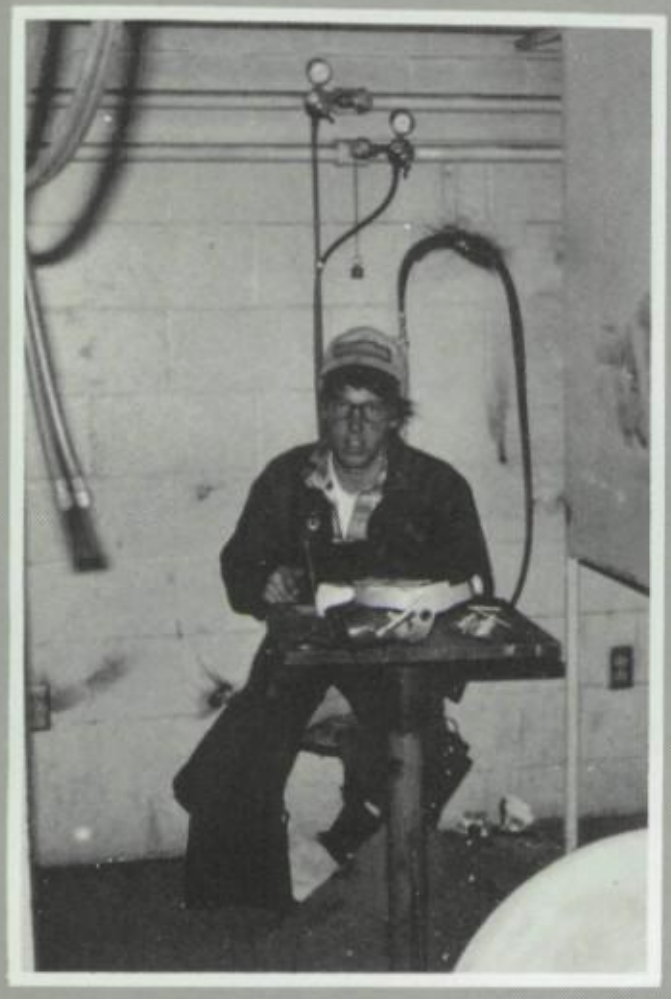
Now, children, the next step is . . .

The hard-working group??

I know I left that in here somewhere!!

Are you sure this is the right piece??

I wonder what would happen if I crossed these two wires?!

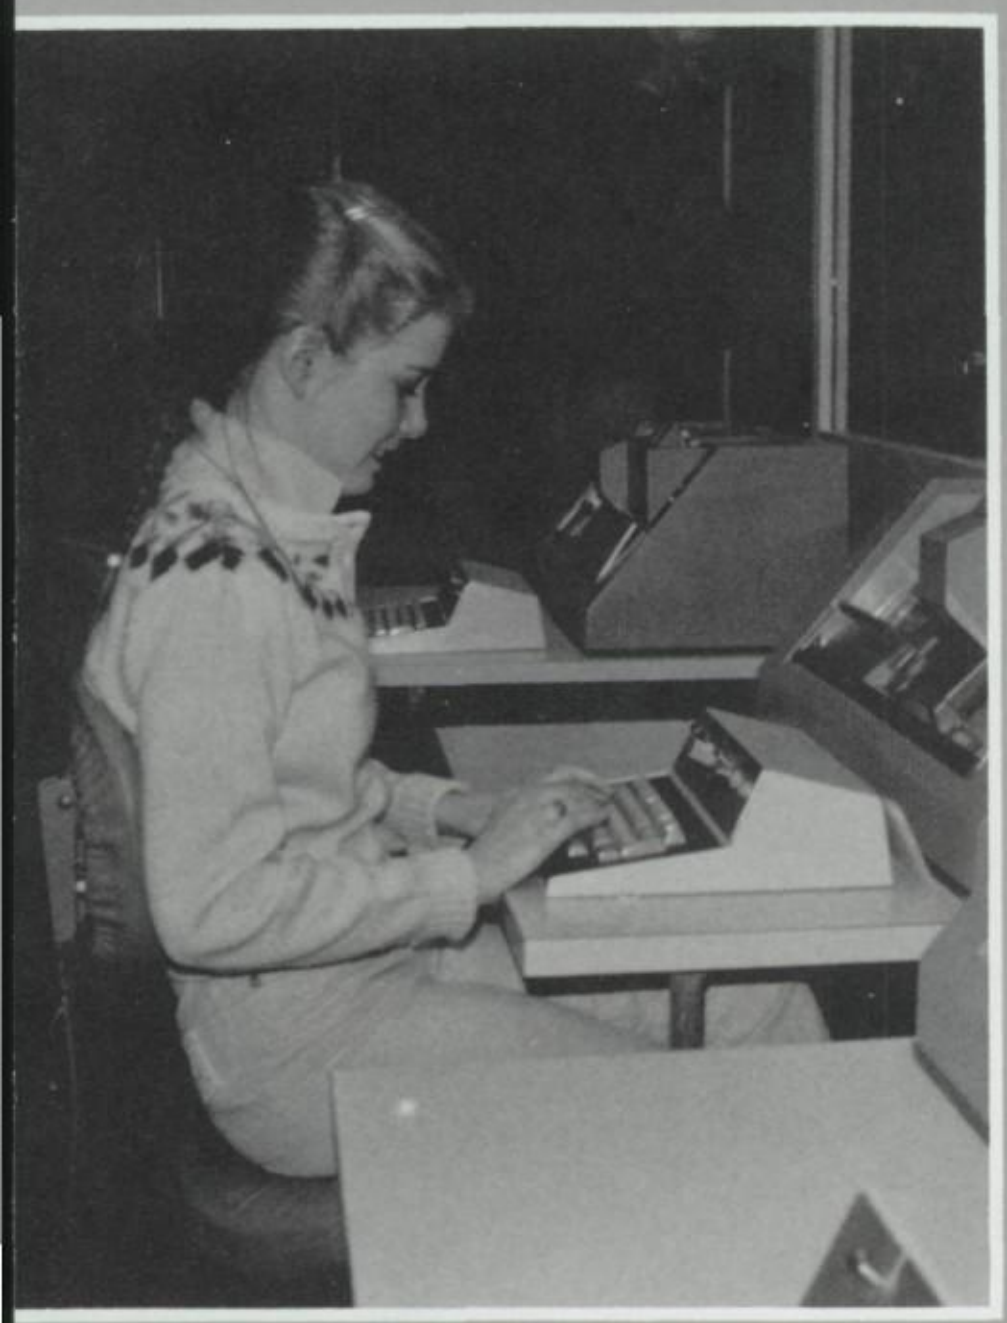


Don't bother me right now, I'm busy!

I hope I'm putting this in the right place.

Miss Drake shows the proper way to do it!

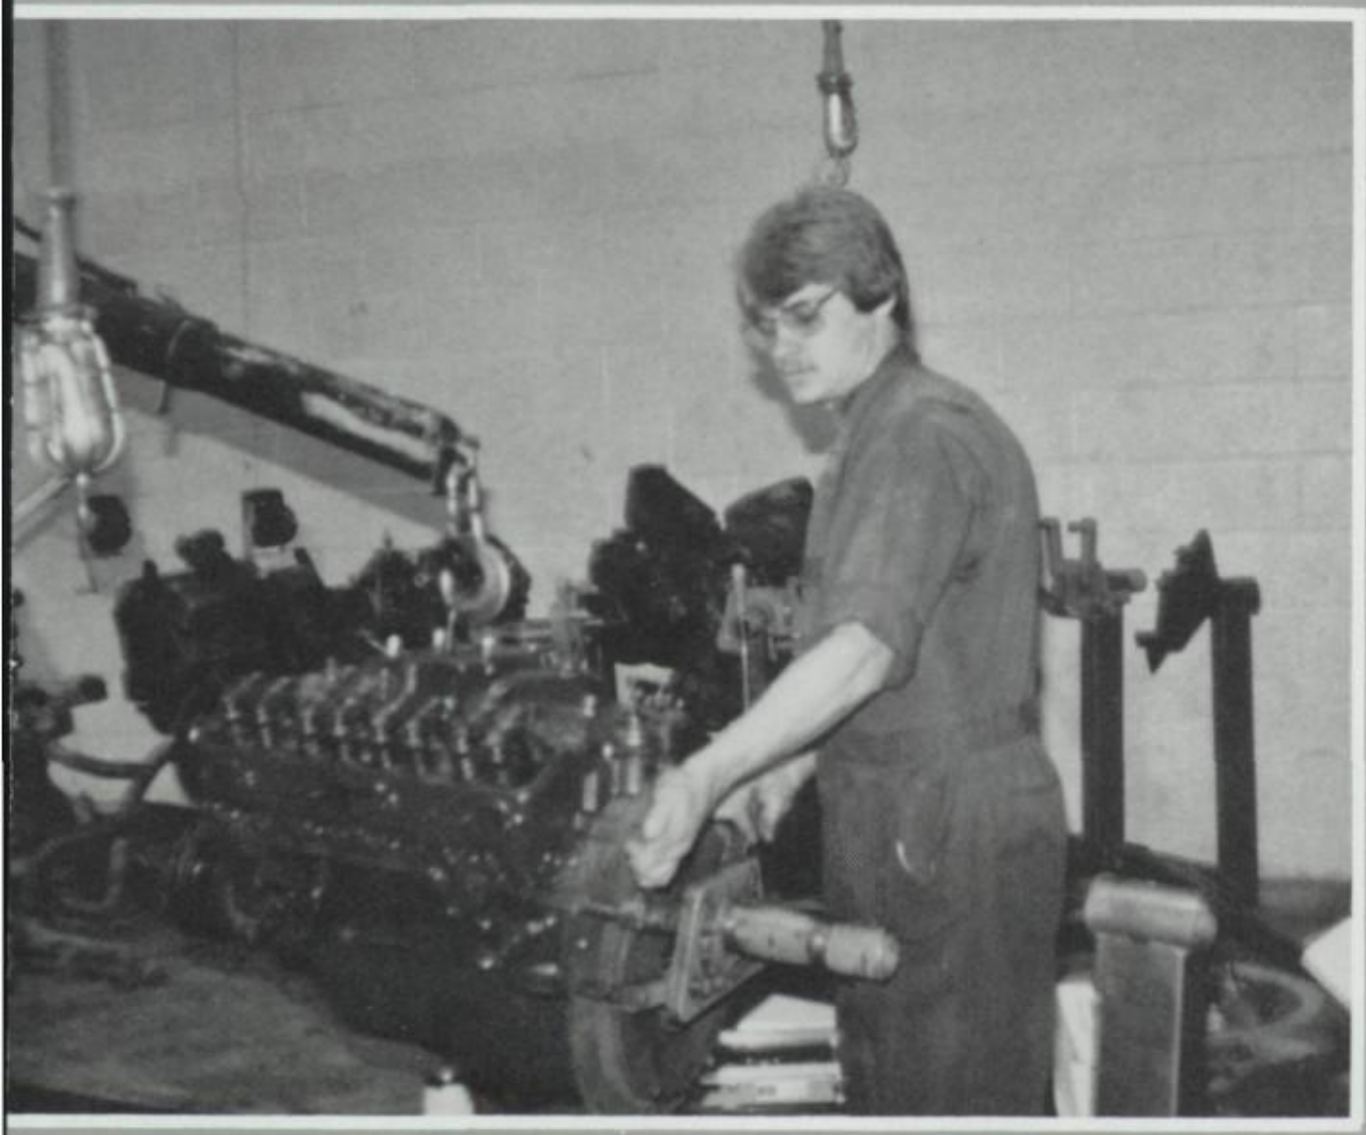
Boy, does she have rough skin!!



Quit looking at your fingers, Lori!

You need steady hands for this job.

I put ALL of me into this job!



This calls for TOTAL CONCENTRATION.

This is the right way to do it!

Medical/Dental Lab.

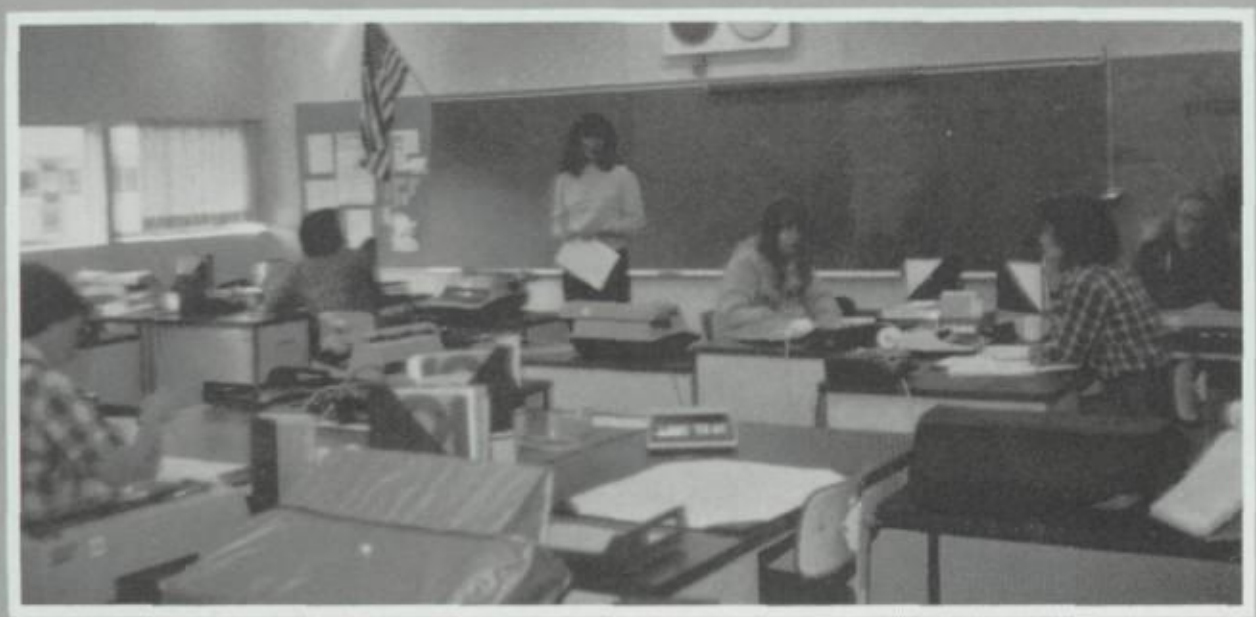
Deep thought? Or daydreaming?

Don't look now, but I think we just had our picture taken!

Now where was that switch at?!

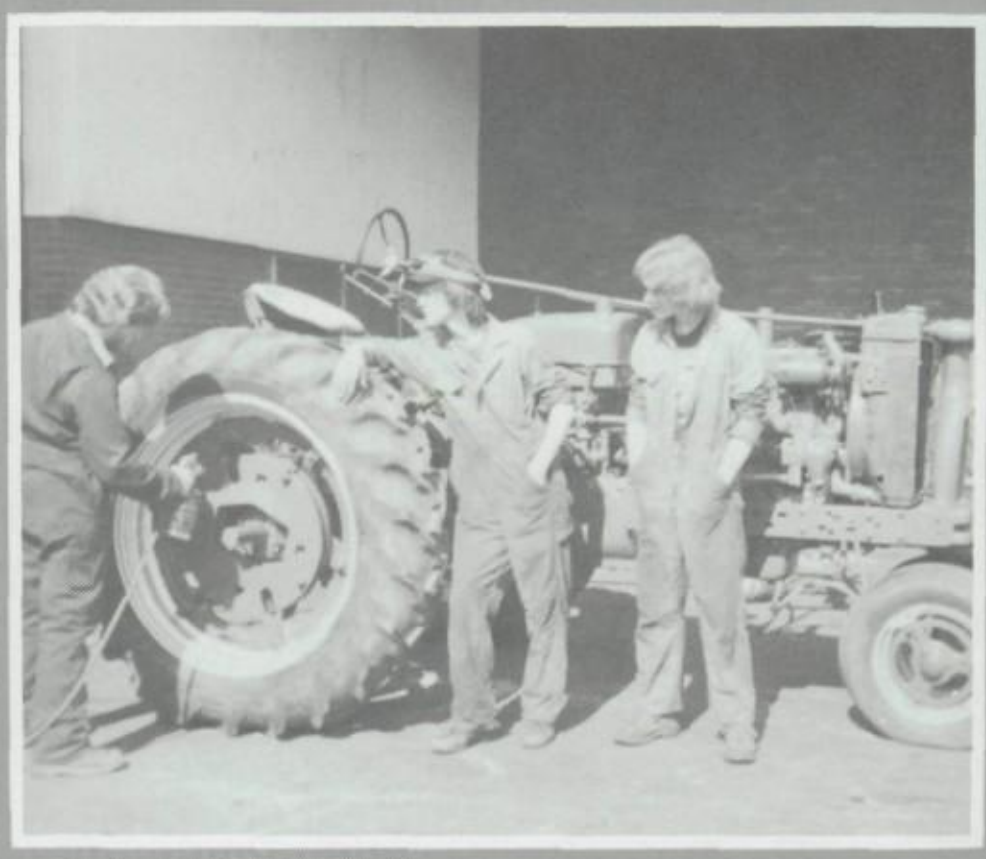
Quit laughing — you're supposed to be hurt!

I've got SUCH a green thumb!



Daytime Adult Clerical class.

What did it sound like? I can't hear anything!



Try to at least **look** busy!

Just looks like a lot of straight lines to me!

Just watch those fingers fly!

Are you sure you're alive? I can't find your pulse!

I'll let you do the messy work.

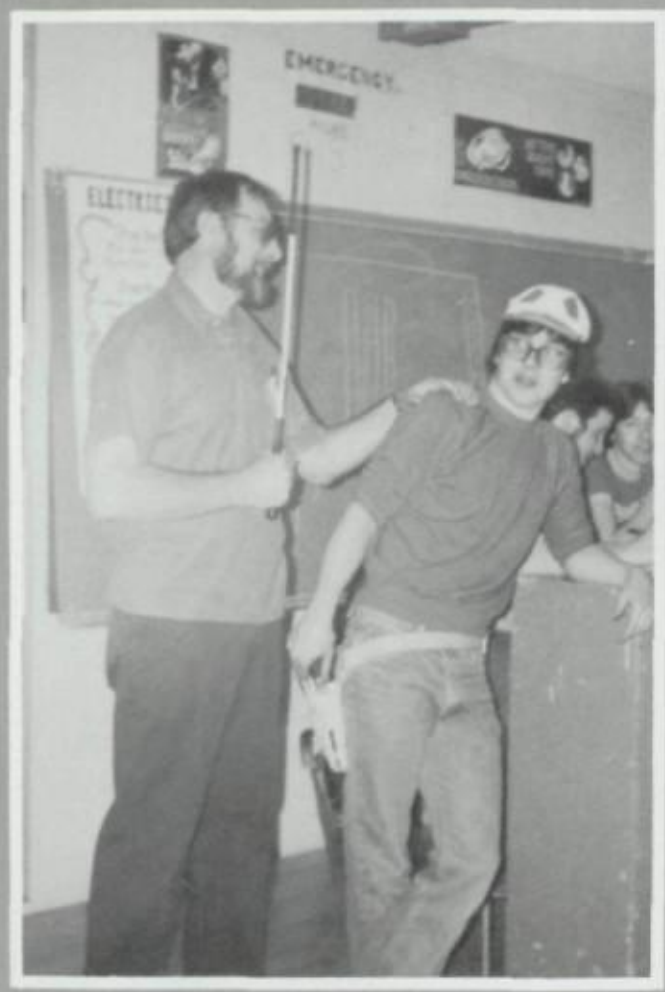
Now add those two columns and they should be equal.

Hey, Babe!

GROSS!!

Do you have enough for the tip??

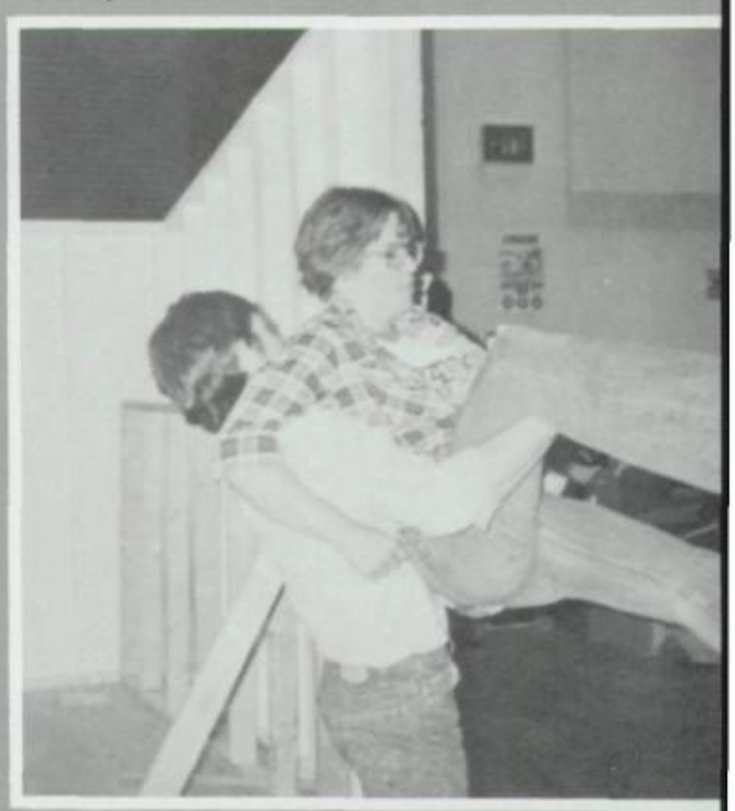
These manuals sure come in handy.



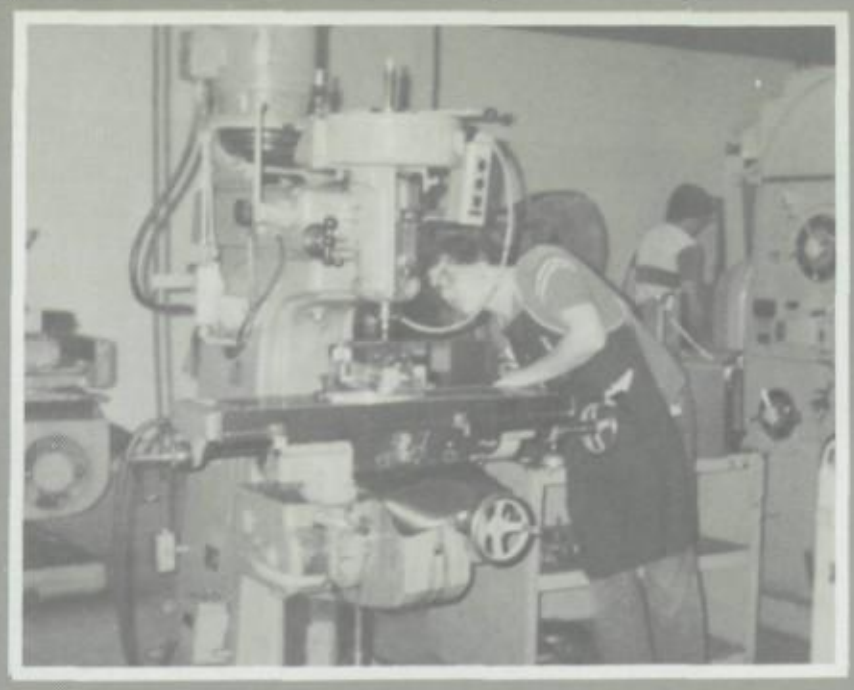
Now, listen closely!!

Oh, gee!

Hey, cutie!



Hey, PUT ME DOWN!!



Now, where the heck did that piece go?

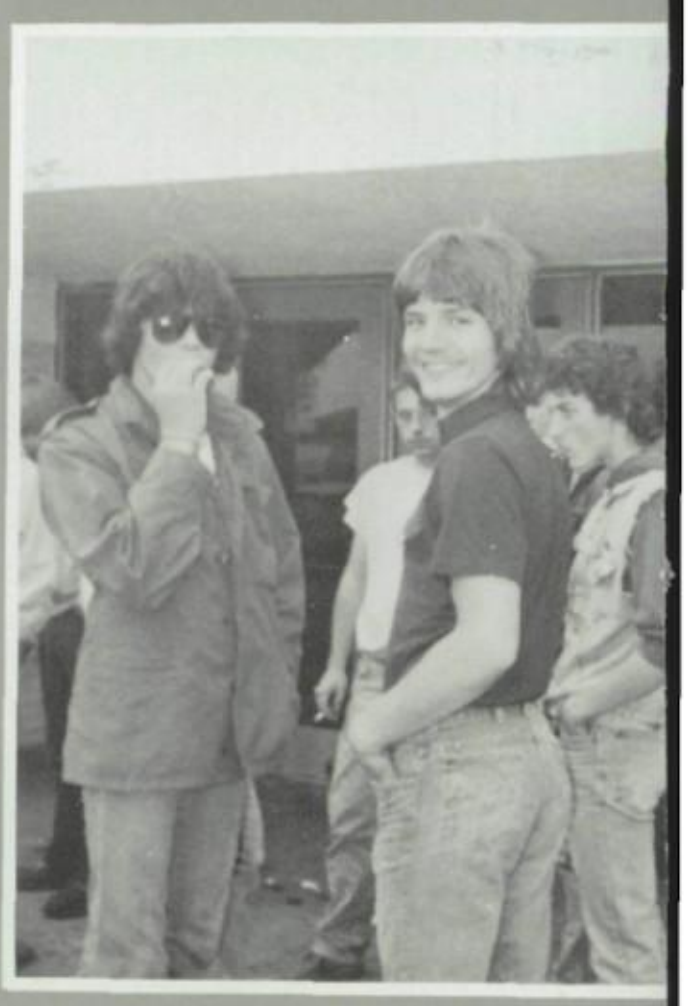
Is it time to go, yet?!

Enjoying the sunshine during lunch period.

Conference time.

Roll, roll, roll the hair!

This game's a cinch!



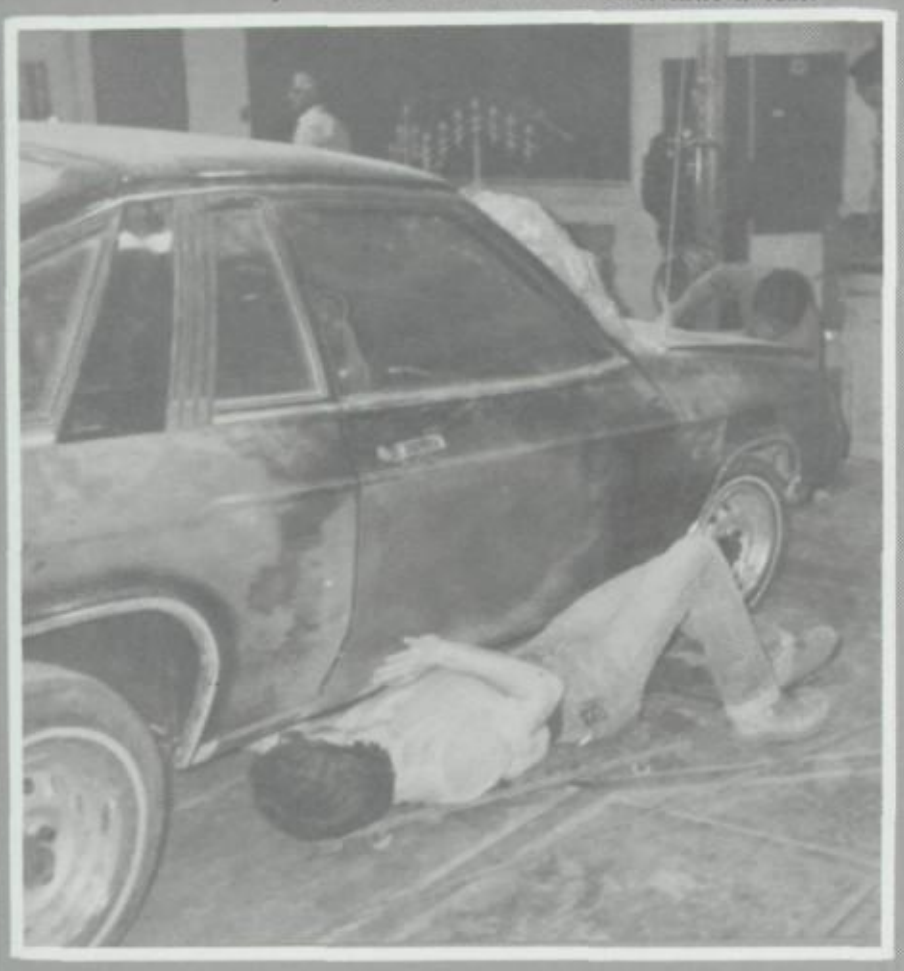
Cigarette time!!

Anybody have an Alka Seltzer!

Demonstration speech for English class.

This is the way we take a test, take a test, take a test.

I hope this holds together when we're done.



Help, get this car off me!!

My fingers are frozen!

Hustle! '83 Intramurals.

Aren't we cute?!

Oh, Oh! I think we just got caught!

Look, I did it all by myself!

I think this is the piece we were missing.

My entry for Hat Day.

There are many fine things which you mean to do some day, under what you think will be more favorable circumstances. But the only time that is surely yours is the present, hence this is the time to speak the word of appreciation and sympathy, to do the generous deed, to forgive the fault of a thoughtless friend, to sacrifice self a little more for others.

Today is the day in which to express your noblest qualities of mind and heart, to do at least one worthy thing which you have long postponed, and to use your God-given abilities for the enrichment of some less fortunate fellow traveler. Today you can make your life . . . significant and worthwhile. The present is yours to do with it as you will.

AUTOGRAPHS

There is nothing in this whole world, Lord, like having one true friend. Just one true friend. Just one true, enjoyable, understanding friend.

No one is ever so lonely that he doesn't have a friend. To find one, all you have to do is go out and help somebody.

Now and then say to a friend, "I love you." Those words weren't meant only for sweethearts. They are just as significant, beautiful and life-enhancing when said to a dear friend.

A true test of friendship: If you died, which of your friends would you trust to clean out your drawers?

When I talk, my friend listens. When my friend talks, I listen. That's one of the reasons we're friends.

Friends are like bracelet charms. If you truly love and enjoy your friends, they are a part of the golden circle that makes life good.

If you want more friends, smile more! I've never known anyone who smiled a lot who didn't have a lot of friends.

Friends are too precious to lose — even when they disappoint us. Lord, help me to forgive this friend — if only because I need and love her. (And because I'd want her to forgive me!) Friends are worth forgiving.

The heart has many doors, of which friendship is but one. Don't be too quick to bolt them.

M is for the Many friends you have.
A is for the way you Always made more.
R is for the Reality we all now face.
K is for the Kindness you had to share.

F is for the Friend we shall all miss.
R is for the Real love we have for you.
E is for the Eternity of love.
N is for the Nice things you did.
C is for the Care you always showed.
H is for the Heart which it came from.

From All of His
Friends
